

# MAKE A DIFFERENCE MONDAY

“PALMETTO PRIDE”

- Each Second Monday of the Month, volunteers are encouraged to join us for an hour to pick a section of the City of Barnwell that needs a little TLC.
- First Clean up will be held on Monday, April 8 from 4-5 pm in the Downtown area and Main Street. For the sections in the following months, visit the City of Barnwell Website, [www.cityofbarnwell.com](http://www.cityofbarnwell.com) home page or sign up for the Barnwell Buzz monthly newsletter for more information.
- Your HELP is NEEDED!!! Please help us clean up our community. Visitors, potential businesses and industries want to see a viable, clean community.
- Credit for the name and idea of this program goes to our neighbors in Bamberg County.
